

**Carnation Farmers Market  
Business Booth  
2010 Overview and Application**

Each week at market we provide opportunity for local businesses to host a booth at the market to outreach to our market customers for these purposes 1) provide a venue our local business community to connect with our customers; 2) provide opportunity for sustainable product or service businesses to outreach to our community; 3) provide additional revenue for the market without creating competition for our existing vendors.

Before filling out your application please read our 'Policies and Guidelines', and 'Business Booth Description' available on our website or from the market manager.

As a quick overview (but not in place for reading the above)

Businesses which do not qualify:

- Those which compete with our vendors or potential vendors. Therefore this excludes any food, plant, craft or personal care products.
- Those which are franchises, 'pyramid schemes' (as defined by Wikipedia), or primarily owned/operated outside of the qualifying area.
- Exception: Restaurants within our local market range may promote their business at market. We also offer 'chef's demo's, at no charge, from local restaurants to educate customers about market product, while at the same time, promoting their restaurants

Businesses which qualify are defined as those which:

- Are 'local' businesses with their primary location address within our market range' which includes Snoqualmie, Snohomish and Sammamish Valley. Priority given to Carnation residents/business owners; Note: Exceptions at the discretion of the market manager, or Sno-Valley Tilth board.
- Provide a service or education, Examples: massage therapist, accountant, mechanic, technology based, financial based, contractor, daycare, private schools, catering, cooking classes'
- Can promote (but not sell) a product that could not otherwise, in any form, be sold at the market. This excludes any food, plant, animal, craft or personal care. Priority given to those which have a product directly related to sustainability such as electric car/scooters, rain barrels, dehydrators, worm bins. Note: The decision to allow any product- based business booth at market is at the sole discretion of the market

We are located in Downtown Carnation, one block east of Hiway 203/Tolt Ave, at Bird St.

Business booths must provide their own table, chairs and other booth materials. The market will provide a 10x10 canopy, but it really helps if you can bring your own. You may also use a market umbrella or similar alternative. No electricity is available. **Booths must be set up by 3 PM, and may not break down until 7 PM.**

Market Manager: Heidi Bohan [hbohan@peoplepc.com](mailto:hbohan@peoplepc.com);

Phone: Home office: 425-549-0093; Market day only cell: 206-434-6397
